SCAM AWARENESS PRESENTATION

Hindolveston Village Hall
7.30 pm on Friday 24th November 2017

Local Speaker: Phil Brown

Attend this **free** 45 minute awareness session to find out more about scams and how you can protect yourself and others from being a victim. It's quite possible that someone attending will avoid losing thousands of pounds to a scam.

This is just as relevant to people who don't own or use a computer as to those that do

Seating is limited to 60 so **you must reserve your place(s)** by email to pab61@btinternet.com or leave a message on 07830 245256, no later than 17th November. If the event is under-subscribed at that time, it will be cancelled.

The Astley bar will be open from 7pm for pre-presentation drinks and again after the show. Ample parking available. The village hall is central to the village: NR20 5AS
