14TH February 2020

Dementia Friendly Villages Project

I am really pleased to have been given the go ahead to organise a regular Dementia friendly cafe and to work on plans for the Dementia friendly village's project.

The first stage of this is to have an open meeting to present the plans, to give members of the public and leaders of organisations and businesses information about Dementia awareness and how to create Dementia friendly environments.

It would be lovely if you or someone from your organisation / business were able to come along to find out how your group can help support those affected by Dementia - Please feel free to bring any friends and family with you.

Dementia Friendly Villages Project Open Meeting

TUESDAY MARCH 10TH

19.00HR

SALVATION ARMY HALL

BRISTON

Please could you also let others know about this meeting?

Thank you

from Liz Bennett
