We have a date for our next Girls'/Ladies night out at Hindol Village Bar! The date is Friday 13th October, 7.30pm until 9.30pm. If you fancy a drink and a chat, come on down; there will be other women to talk to. Men welcome too, but a few of us girls once in a while specifically invite any women in the village who (for whatever reason) might not otherwise come down. All welcome and we look forward to seeing you there!

Additional note: the October ladies' night could be an opportunity for us to purchase some early Christmas bits! Lois Capsticks (Neals Yard) can't make it this time, but feel free to invite anyone who fancies showcasing their wares and perhaps giving a little talk. I'm happy to chat through any ideas! ## Hindolveston Bowls

The 2023 season was a successful one for the village bowls team. In the Fakenham and Wells League, Hindolveston secured the title with a final game win over Wells Elsmith. The team then completed the League and Cup double when captain, Mike Fenn, led the team to victory in the Fakenham League Challenge Cup, winning by a single shot over a strong Walsingham side.

**AFTERSUN (12)**

**The stunning debut from director Charlotte Wells, "Aftersun" juxtaposes a hopeful coming-of-age story with a poignant family portrait that leaves an indelible impression. At a fading resort in the late 1990s, 11-year-old Sophie treasures time together with her loving and idealistic father, Calum (Paul Mescal). As a world of adolescence creeps into view for Sophie, Calum struggles under the weight of life outside of fatherhood. Twenty years later, Sophie's tender recollections of their last holiday become a powerful and heartrending portrait of their relationship. Oscar nominee: Best Actor.**

**"An astounding first feature - one of the most powerful you'll find in any cinema this year" (The Independent)**

**Saturday November 4th**

**PORTRAIT OF A LADY ON FIRE (15)**

**A haunting French costume drama set in the 18th century. Painter Marianne is commissioned by an affluent countess to paint the wedding portrait of her sheltered but headstrong daughter Héloïse. While posing as her hired companion, Marianne is instructed to complete the portrait in secret, observing Héloïse by day and painting her by night. However, as the two women grow closer, their intimacy and attraction begins to blossom, paving the way for a simmering, star-crossed romance. French language with English subtitles.**

**"Mesmerised by the female gaze, this is a perceptive, erotic exploration of power" (The Guardian).**
